

# Jason Buoni

## Software Engineer

### Who am I?

I am a polyglot developer with a Masters in Computer Science. I focus on full stack development and enjoy learning about cyber security principles and machine learning. After struggling with my resume, I decided to go a different route and make my own template. I created this resume using ReactJS. You can see it on my website!

### Languages and Tools

JavaScript:	★★★★★
Python:	★★★★★
NodeJS:	★★★★★
Java:	★★★★
C#:	★★★★
Scala:	★★★★
React:	★★★★★
SQL:	★★★★
PostgreSQL:	★★★★
MongoDB:	★★★
Ruby:	★★
AWS:	★
Backbone:	★
Angular:	★
C++:	★
jQuery:	★★★★★

### Soft Skills

Mentorship:	★★★★★
Leadership:	★★★★
Collaboration:	★★★★★
Communication:	★★★★

### Certifications

**Scrum Certification, 2016** Scrum Alliance

### Experience

May 2015 - Present

#### Turner Broadcasting Inc., Atlanta GA

*Senior Software Developer*

- Developed backend and frontend services used to transfer video files and metadata to CNN and Turner internal systems around the world.
- Worked as a member of a scrum team for multiple high visibility projects including the Elections System and Content Supply Chain.
- Worked with multiple languages and frameworks throughout the day such as NodeJS, React, Scala, Java, Python, and MongoDB.
- Assisted in DevOps related tasks using Chef, AWS, and Jenkins.
- Created a new tracking system as a side project using Scala and Akka. Project was deployed internally and replaced multiple legacy systems.
- Spearheaded mentorship program for my department, which was incorporated to all intern positions for the GTO Tech Intern program.

June 2013 - May 2015

#### Westat, Atlanta GA

*Programmer Analyst*

- Developed backend and front end services used to monitor and analyze large amounts of data.
- Worked with multiple languages and databases including C#, Java, Android, JavaScript, JQuery, SQL, PostgreSQL, MySQL and SQLite.
- Created data visualization user interfaces using tools such as Google Charts and Google Maps.

December 2012 – May 2013

#### Mary Cariola Children's Center, Rochester New York

*Website Developer*

February 2011 – September 2011

#### Verivo Software, Waltham Massachusetts

*Product Manager*

March 2012 – November 2012

#### Brand Networks Inc., Rochester NY

*Software Developer*

### Education

August 2018

#### Georgia Institute of Technology

*Masters of Science, Computer Science*

- Graduated with a 3.8 GPA.
- Specialized in Computing Systems with a focus on cyber security.
- Took classes related to security, machine learning, computational photography, and HCI.
- Primary languages used were Python and Java.

May 2013

#### Rochester Institute of Technology

*Bachelors of Science, Software Engineering, Economics Minor*
